OUTLINE OF ACTIVITIES FOR THE YEAR ON WHICH YOU ARE REPORTING:

There are only four Executive positions in this small but mighty Chapter, and three of them have seen change this year. Our Network has soldiered on with volunteers stepping forward to support each other through a year of challenges. Overshadowing everything this reporting period is the untimely death of long standing Network member, friend and colleague, Elaine Baldwin in November. The St. Mary's General Hospital medical library, where Elaine worked for 30 years, will be renamed in her honour.

At our first meeting of the year (October 27, 2015 | Homewood Health | Guelph) the decision was taken to move from bi-monthly meetings from September to June to quarterly meetings. The Constitution was revised to reflect this. October will continue to be the Network's "first meeting of the year" with meetings following in January, April and June.

January 12, 2016 | UWaterloo School of Pharmacy | Kitchener

- following our Business Meeting, new Network member, Caitlin Carter, gave a tour of her library

April 12, 2016 | Conestoga College | Doon (Kitchener) Campus

- following our Business Meeting, Network member, Tessa Dueck, gave a tour of Doon's newly renovated library

AGM (& Pot Luck) scheduled for June 14, 2016 in Guelph.

CE Coordinator, Jackie Stapleton, has established a process for Network access to Education Institute Webinars. We now register for sessions as an "institution". Interested Network members offer to host "live" sessions and afterwards a link to the recording is available to all Network members for one year. Offerings this year included: "Copyright and Accessibility: Intrinsicly Connected" and "Reference On Reddit: Can We Help?"
